**Carolyn Carreiro : Make Your Own Puppets Puppet Theaters (Williamson Quick Starts for Kids! Book)**

before purchasing it in order to gage whether or not it would be worth my time, and all praised Make Your Own Puppets Puppet Theaters (Williamson Quick Starts for Kids! Book):

0 of 0 people found the following review helpful. Could be betterBy DougI found the contents interesting but the writer talks down to people. I realize the book is directed a youngsters but it is the parent who helps.3 of 3 people found the following review helpful. Puppet makingBy Nia32 creative ideas including, stick, glove, hand and shadow puppets. Not to mention cardbox and doorway stages. There are many ideas that use your hand to be painted. If you're

not keen on messy projects, then you might want to steer clear of those. One puppet in particular uses a 2 liter soda bottle. It's imaginative, creative and use inexpensive materials anyone can find. The projects are great for kids b/c it's easy to follow. Should keep them busy for hours!

This title is suitable for ages 9 to 12 years. Beginning and skilled puppet makers alike will appreciate the crafting and performance techniques this book offers. Activities are presented as beginnings that children can then expand upon with their own ideas and creative touches. Puppet enthusiasts can explore 50 puppetry options to create puppets to use in oral book reports, history projects, and creative writing. Children will also discover fun activities on how to write scripts, construct a theatre, create scenery, and effectively use props and sound.
