**Claire Bryant : Make Your Own Southern Belle Cloth Doll and Her Wardrobe** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Make Your Own Southern Belle Cloth Doll and Her Wardrobe:

2 of 2 people found the following review helpful. No Pattern Download Available on KindleBy TXCowgirrrrI thought these dolls were darling and wanted to make several. The gowns in particular look much nicer than most Victorian era dolls. Unfortunately for the patterns themselves, there is no link provided nor can you print from the Kindle. In my opinion, if you actually want to make dolls, the Kindle version is completely useless. I returned it for a refund and will consider ordering the paper version, though that is inconvenient.0 of 0 people found the following review helpful. Exactly what I was looking for. My cousin is ...By Kima LauderExactly what I was looking for. My cousin is having a red hat event in September and we are doing Southern Belles as the table decorations. Can't wait to start making these

ladies.0 of 0 people found the following review helpful. Five StarsBy CustomerI love this book, I have a lot of these dolls and will make more. Joan H.

With this easy-to-follow, step-by-step guide, even beginning needlecrafters will be able to make a charming doll with a wardrobe of nine different mid-nineteenth-century costumes. Designer Claire Bryant provides all the patterns, information, and helpful hints you'll need to create an engaging group of young ladies from the Old South. There's pretty Bonnie Jean, about to become a bride in a full-skirted wedding dress trimmed in ruffles and lace. Myrna Ann, Bonnie's sister, is the bridesmaid in a lovely dress with tiers of ruffles and a scarf neckline. Sensible Louise Matilda, who wants to be a secretary, prefers wearing a simple dress without crinolines, and Jean Eleanor appears in a riding outfit, complete with hat, cape, and double-layered skirt. Additional costumes include a satin ball gown, a lovely afternoon dress for paying calls, an elegant lace-edged dress for a garden party, and a fur-trimmed black dress for church. In addition to changing the doll's outfits, you can also alter the features and personalities of these figures by painting and embroidering different facial expressions and changing hair styles on one basic body and you can do that simply by arching eyebrows, lengthening lashes, and fashioning various hairdos with wigs, synthetic fiber, or yarn. The choice is yours and the possibilities are endless! A list of materials, patterns, and directions are included for each outfit.
