**Lark Books : Make Your Own Stupid Sock Creatures** before purchasing it in order to gage whether or not it would be worth my time, and all praised Make Your Own Stupid Sock Creatures:

3 of 3 people found the following review helpful. very creativeBy Tanya D.I bought this for my 9-year-old crafty daughter. She was able to work on it without much help, but she is a self-starter. She really enjoyed it. It is very creative.2 of 2 people found the following review helpful. Make your own stupid sock creaturesBy Dale B.This book has great ideas for the using socks, besides wearing them of your feet. The way the author tells you to cut the socks up might be a little scarry, but if you take the first step, and keep up your courage he shows you can have some amazing

creatures. Then the fun begins! You have gifts to give to unsuspecting friends and maybe to keep one or two for yourself. After you have made a few you will be addicted, and go on make many more. 1 of 1 people found the following review helpful. Creatures are fun! By CrafterGood book and supplies come with it so you can start creating right away. Illustrations make it read like a comic book. Get out more socks, and keep crafting.

An updated presentation, new materials, and simplified version of Stupid Sock Creatures add up to a fresh version of an irresistible mass-appeal kit. The new, smaller 48-page instructional booklet has all the basic how-tos and illustrated cutting instructions for almost every project featured in the original volume plus a brand-new design for a rainbow-striped creature! **IN ADDITION TO THE BOOKLET, THE KIT INCLUDES:-** One pair of snazzy rainbow-striped socks with toes- One pair of solid-color ankle socks- Polyfil stuffing

About the Author **JOHN MURPHY**, a sculptor, illustrator, and former newsroom artist for the Wilmington North Carolina Star News. Visit his Web site at [www.stupidcreatures.com](http://www.stupidcreatures.com).
